

## **TO FAMILY MEMBERS:**

### **Help us improve COMMUNICATION with STROKE PATIENTS + FAMILIES**

**As a family member of a person with stroke+aphasia,  
how was your experience at the first hospital giving stroke care,  
regarding information+support for aphasia?**

## **PLEASE CONSIDER SHARING YOUR INPUT:**

**If you are:**

- A **family member of**  
a person with aphasia who had a stroke **in the past few years**
- Can read, write and speak in English
- Are 19 years of age or older

**If you choose to take part:**

We will ask you to:

- 1) Fill out a short survey**
- 2) Join a group discussion**

**We aim to make a resource for future families of people with aphasia – drawing from your input.**

After the group discussion:

- 3) There will be an opportunity to give feedback on the resource to be developed, if interested.**
